### **Notice Concerning Revision of the Dividend Forecast**

Seven Bank, Ltd. (the “Company”) hereby announces that it resolved at a meeting of its Board of Directors held on February 3, 2017 to revise its per share dividend forecast for the fiscal year ending March 31, 2017 (fiscal 2016) as follows.

#### 1. Reason for the Revision to the Dividend Forecast

The Company regards returning profits to shareholders as an important management issue, and with the aim of providing a fair return to shareholders, our basic policy is to strive to pay a sustained and stable cash dividend while maintaining an appropriate balance between dividend payments and internally retaining a suitable level of earnings. The Company targets a minimum dividend payout ratio of 35%. In line with this basic policy, the forecasted year-end dividend per share has increased 0.50 yen to 4.75 yen compared with the previous forecast.

As a result, the annual dividend per share for fiscal 2016 will be 9 yen, consisting of the year-end dividend and an interim dividend of 4.25 yen per share.

#### 2. Details of the Revision
